A.S.S SCAFFOLDING

ABSOLUTE STAGE STRUCTURES

COMPANY SERVICES PROFILE

ABSOLUTE STAGE STRUCTURES is specialized in scaffolding contracts & event structural work. A.S.S. provides an award-winning 'one-stop' service that includes the expert design, supply, and erection of scaffolding contracts, Rental of Scaffolding, Carpentry & Flooring Work, and Exhibition Stand Fitting work for major contracts across the UAE. The Group sources the latest and most advanced equipment from around the world, enabling us to offer our clients a consistently reliable, safe, and cost-effective service tailored specifically to their requirements.

Our services are committed to producing efficiency coupled with Occupational Health & Safety, Environmental Protection, and Quality Assurance. Our award-winning Health & Safety standards result from our long-term investment and an emphasis on training. All of our personnel are trained above and beyond industry standards in the use of equipment and machinery which fosters assurance and confidence in our clients.

HEALTH & SAFETY

OUR NO. 1 PRIORITY

A.S.S. relationship with our clients' safety teams is both cooperative and pro-active. We monitor and ensure compliance with the directions and guidance of the scaffolding associations to which we belong, who in turn work closely with the Government health and safety departments. Our integrated Health & Safety management system promotes a safe and healthy working environment by providing a framework that allows us to:

- Assess risks and apply suitable controls
- Ensure compliance with current and future legislation
- Define roles, responsibilities and the subsequent structure
- Communicate with internal and external customers
- Provide training, awareness and verify competence
- Implement controls for the management of operational hazards
- Published and tested plans for emergency situations
- Measure and monitor performance
- Identifying areas for continual improvement

EVENT SERVICES

SERVICES WE OFFER:

At A.S.S., we can take your concept from blueprint to reality, overseeing the entire process from design to installation and beyond. Several of our custom-made projects can be found across the UAE. With different operational divisions, we deliver premium quality scaffolds for events and exhibitions, as well as provisional structures and additional support services.

We create unforgettable events, exhibitions, and seminars that leave a lasting impression. We are a UAE-based company committed to delivering unparalleled innovation, creativity, and excellence. We plan and execute each event meticulously, ensuring our clients and their audiences have a seamless and memorable experience.

From concept creation, visualization and installation with full health and safety guidelines, we create a lasting impression of your event. To deliver ideas that work, we align branding with event objectives.

- Event Planning & Coordination
- Talent & Entertainment Artist booking
- Venue Services
- Audience Services
